

Kindergarten Supply List

Book Bag- Please make it big enough to hold folder and lunch box.

Folder- Please choose one with the pocket across the bottom and not along the sides. The papers do not fit very easily into the side pockets. Please choose a sturdy folder made of plastic or laminated paper.

Paint Shirt- Please provide a big T-shirt which can be pulled over the head with no buttons to "slow us down." If you do send in a shirt with buttons or Velcro closures, make sure your child can put it on and take it off by himself.

School Box- This will hold all of the everyday supplies. The plastic boxes work better and last longer than the cardboard boxes or zippered pouches. Please get the approximately 8 1/2 in. by 5 1/2 in. size; the larger size takes up too much table space.

Markers- Any size, 8 primary colors. Please **label each marker individually(!)** so when it rolls away we can identify it. A small piece of paper marked with child's name and taped on works fine.

Lunch Box- or container for daily snack. Anything that doesn't leak and that fits into the book bag is fine.
